

Wrestling With the Wrath of God
Isaiah 9:8-10:15

1. Man's pride: Our central and perpetual need for humility. 8-12

For all his anger has not turned away, and his hand is stretched out still.

2. Corrupt leadership: As the leaders fail, so society crumbles. 13-17

For all his anger has not turned away, and his hand is stretched out still.

3. Family strife: The breakdown of family relationships. 18-21

For all his anger has not turned away, and his hand is stretched out still.

4. Human oppression: God does not overlook how we treat those in need. 1-4

For all his anger has not turned away, and his hand is stretched out still.

5. God's Tool: He even uses pagan nations to accomplish His purposes, BUT this does not mean He will overlook their wickedness. 5-15
